How to view the GST data on efilng website under compliance module?

Below is the steps to view the GST data on efilng website:

Step 1: Go to <https://www.incometaxindiaefiling.gov.in/home> and login to the portal using efilng USER ID and password

Step 2: Now under Compliance tab, Select “Compliance portal” option and click on Confirm button.

It will redirect to compliance portal.

Step 3: Now Go to E- Campaign tab a notification will come under Non- filing of return.

Now, click on the Notification, you will see the details for which non filing notice has been received.

If you further click on the Business transaction details it will show the list of purchases made during the year as below.

This data is been fetched from the GSTR2A data of the assessee.
